- > Merchant may not accept mail/telephone order or Internet transactions; accept partial payments; or accept deposits for future services without our prior approval. For mail/telephone order and Internet transactions, Merchant warrants the identity of the cardholder.
- > Payments to Merchant are provisional and subject to chargebacks and adjustments. Merchant is fully liable to us for all transactions returned to us for whatever reason, such returns being known as "chargebacks." Merchant agrees to accept all chargebacks and will be liable to us in the amount of any sale that the cardholder or card issuer disputes.
- > Merchant discount fees are calculated on gross volume.
- > Merchant account is subject to termination fees, swap fees, and annual fees, along with retrieval and/or chargeback fees, applicable sales tax, and supply fees.
- > If Merchant's account has no activity for a period exceeding 365 days, Merchant may be deemed to have closed its account and will be assessed a termination fee.
- > We may change or add to these Terms & Conditions. We will inform Merchant of a change/addition in a periodic statement or other written notice. Merchant will be deemed to have agreed to the change/addition if Merchant continues to present transactions to us after 30 days following the mailing of the notice.
- > Notwithstanding the previous sentence, changes/additions to fees will be effective upon notice to Merchant, unless a later effective date is provided. We may pass through to Merchant any fee increases imposed by Visa[®], MasterCard[®], other payment networks, telecommunications vendors, or other third parties without giving Merchant the right to terminate.
